FIRST IMPRESSIONS ARE THE BEST

So it is with ear impressions. The only true impression is the original. Castings ground and polished only approximate the true dimensions.

That is why ADCOMOLDS made-in-the-ear molds fit better and prevent feedback in even the highest power aids.

Send for free catalog and see us at booth 31 in St. Louis, or call 1-800-821-2270, ext. 823A toll free.
